LIGHTWEIGHT FOAM PRESENTATION BOARDS

NTXPrint | Artwork setup guide

Select dimensions and download the exact-size template.

Artwork size equals ordered size. Do not add bleed.

Shipped sizes: 6 x 6 through 38 x 48 inches.

Use a separate file for each printed side.

Keep important content at least 0.25 inch from the cut edge.

Extend backgrounds to all edges.

Single-page CMYK PDF or JPEG, 150 PPI. Outline fonts.

Remove crop marks, template text and all guides.

Indoor use only; protect from moisture.

Stands and hanging accessories are not included.
